

SUBDIVISION

Figure 1 shows a series of nine line drawings of a person, arranged in a 3x3 grid. The drawings are labeled with numbers 3, 4, 5, 6, and 7 in the bottom right corner, indicating the age of the child who drew them. The drawings show a progression from a simple stick figure to a more detailed figure with a head, torso, and limbs. The figures are drawn in a simple, schematic style.
